PRESIDENT: That moves us to General File then beginning with LB 653. The chair recognizes Senator Goodrich.

SENATOR GOODRICH: I just wanted to request to lay this over until Monday.

PRESIDENT: Senator Goodrich requesting to lay 653 over until Monday. Are there objections to laying the bill over. All right, Senator Chambers objects. Very good. Senator Goodrich what is your pleasure, we have an objection so your unanimous consent is not possible.

SENATOR GOODRICH: I move that we aly the bill over until Monday.

PRESIDENT: Now the motion is to lay the bill over until Monday. 653, Senator Cavanaugh do you want to be heard on the motion? The motion is to lay 653 over until Monday.

SENATOR CAVANAUGH: Can I amend that?

PRESIDENT: Sure.

SENATOR CAVANAUGH: To Friday.

PRESIDENT: Friday of this week.

SENATOR CAVANAUGH: Of this week, right. There is one problem that has been presented to me on the bill and if it can be resolved by Friday. If it can't be resolved by Friday, it can't be resolved by Monday. So that's why I would amend it.

PRESIDENT: Do you want to have a short conference there, or Stand by here for a minute.

SENATOR CAVANAUGH: Is that all right?

SENATOR GOODRICH: Mr. President.

PRESIDENT: Senator Goodrich.

SENATOR GOODRICH: As a result of our conference back here, is the affect that we are going to wait until Friday. Thank you.

PRESIDENT: All right. Now, the motion is to lay the bill over until Friday. The chair can ask then, are there objections to laying the bill over until Friday. Senator Chambers objects, fine then..the motion actually still is and there will have to be a vote on it as to whether the bill should lay over until Friday. Now are you all through debating the motion. All right, the motion before the body is, Shall 653 be laid over, Senator Chamber.

SENATOR CHAMBERS: Mr. President, I just wanted to make a comment I believe that a bill like this, whenever it talks about letting the public be aware, through a hearing procedure of what governing bodies are doing.
